REPORT OF COUNTY COMMISSIONERS

To the Citizens of Merrimack County:

In accordance with the Public Laws of the State of New Hampshire the board of Merrimack County Commissioners herewith submit the annual report of the Commissioners along with the Treasurer, Superintendent and Matron of the County Home and House of Correction, Farm Physician, Clerk of Superior Court, County Attorney, Chaplain, Sheriff, Auditors and County Extension Service for the year ending December 31, 1959.

We also desire again this year, to express our appreciation of the work of the Federated Business and Professional Women's Club of Concord and to the Kiwanis Club, also of Concord, who provided a most successful Yuletide party at the County Home.

The Commissioners concur with the report of the Superintendent and Matron and wish to commend them for a job well done through the year 1959. We wish to thank all of their employees for their cooperation and help. The County Home had an all time high in receipts this year, the income was \$130,654.20. A fact to be noted that in spite of an increase in cost of operations over 1958 the cost of operating the County Institution decreased to our taxpayers by \$6,000.00.

We were successful in staying within our total appropriations by \$7,540.05 and we had an excess over anticipated receipts of \$15,214.49 giving us a surplus of the entire County operations of \$22,754.54. We are glad to report that the Sprinkling System for the County Home and Hospital is in the process of being installed and it is anticipated this will be completed by the middle of February. The Commissioners wish to express their thanks to all County employees for their

splendid spirit and cooperation that has made 1959 a very satisfactory year.

Respectfully submitted,

W. GRANT McINTOSH, *Chairman*

WILLIAM T. JORDAN, JR., *Clerk*

An approximately equal number of other cases, such as untimely deaths, autopsies and other matters which were not brought to prosecution were handled or participated in by the office of the County Attorney. 1959 was an average year. However, certain cases which commenced in 1958 were carried over into 1959, and for that reason the total number of cases handled by the County Attorney appears greater than it should be. As an overall picture, 1959 was a less active year than previous years, at least in the number of cases handled. But, with the passing of each year, the duties of and the demands upon the County Attorney are ever-increasing. These new duties, or better described as obligations, are tedious, time-consuming matters. The administration and prosecution of Reciprocal Support Petitions involve an ever increasing demand upon the time and attention of the County Attorney. Although the Uniform Reciprocal Enforcement of Support Act is perhaps one of the finest pieces of recent legislation, administration of the act requires considerable time, which time is not always available to the County Attorney. Other matters are usually present which by their nature have priority to the County Attorney's time.

The Sex Psychopath Law administration is more than just the preparation of Petitions to the Superior Court. Investigations and conferences are necessary before any action may safely be commenced. This all takes time.

Each year new legislation creates new laws, and new laws define new offenses, and both create new duties and obligations upon the County Attorney which make further demands upon his ever decreasing available time. It is not unlikely that the County Attorney's office may be made, of necessity, a full-time position in the near future. At least this may be considered as true in Merrimack County.

The fact that Merrimack County is the seat of the State Government and houses the State Prison and the State Hospital results in many additional duties for the Merrimack County Attorney. These factors are not a problem to other County Attorneys; as a matter of fact, it could be said that the other County Attorneys send a great many of their problems to Concord.

The County Attorney takes this opportunity to express his appreciation to Sheriff Clyde R. Parker and his Deputies, the New Hampshire State Police and especially Sgt. Archie Brown, and the various City and Town Police Departments for their assistance and cooperation, and commends them for the excellent and faithful performance of their duties.

Respectfully submitted,

JOHN W. STANLEY, JR.,
Merrimack County Attorney

*To the Honorable Board of County Commissioners
of Merrimack County:*

Gentlemen:

Nineteen hundred and fifty-nine has been a busy year at the Merrimack County Nursing Home. Our population figures show that there were 638 more patient weeks than 1958. The House of Correction and Jail had 203 more weeks served than in 1958.

Many improvements were made including the installation of two Fire Escapes and our new Sprinkler System should be in operation by the first of February. The steps in front of the Institution were relaid and new cement steps were installed in front of the Men's Hospital. Many rooms and hallways have been repainted, including our Basement Kitchen. Also, the Young Stock Barn and one-half of the Dairy Barn. Most of these repairs being made by the use of House of Correction labor.

The Occupational Therapy Program, under the sponsorship of the Spaulding Trust Fund, has progressed real well. Volunteers from various towns have organized the Merrimack County Nursing Home Auxiliary, who have given their time generously throughout the year to make this program a success, bringing many happy hours to the residents.

During the year, the New Hampshire Heart Association held their Stroke Work Shop Meeting at the County Nursing Home and we were very happy to have our nurses participate. Also, the State Nurses' Association sponsored a Civilian Defense Meeting at the County

Nursing Home under the direction of the New Hampshire Civilian Defense Agency. Director Admiral Brinkman gave the nurses the use of a Field Hospital Unit. Instructions were given and some of the equipment was actually set up as if an emergency existed. The units worked on were the same as a 200-Bed Hospital Unit; now stored at the County Nursing Home, that could be used in a national emergency.

Our 1959 Farm Operations were successful and crops produced well. We were pleased to come in third in the New Hampshire Green Pastures Contest; State and County institutions participating. The credit going to Farm Supervisor — Oliver Hastings and Assistant Farm Supervisor — Lester Tibbetts in cooperation with Paul Fenton, County Agricultural Agent and the Agriculture Department of U. N. H.

Your county's program of raising beef to be used at the institution, is working out well. We are using the Open-Shed Method of raising this beef.

During the summer, enough lumber was cut off the farm to build a silo at the Young Stock Barn, which held approximately 150 tons of ensilage.

At the County House of Correction and Jail, the usual amount of repairs and painting was completed plus the addition of flood lights installed on the outside of the building.

We wish to extend our sincere thanks to the many organizations, Churches, Salvation Army, Business & Professional Women's Club, Kiwanis Club, Merrimack County Nursing Home Auxiliary, 4-H Clubs, Boy Scouts, Girl Scouts, individuals, etc., for programs presented, donations of many articles such as books, magazines, tray favors, clothing and other items that brought many pleasant hours of happiness to the residents.

The Catholic and Protestant Clergymen were most co-operative in giving of their time for the spiritual help and guidance for everyone.

We wish to express our appreciation to Dr. McLeod, Dr. Shaw, and to our Staff for their splendid cooperation. It has been a pleasure to work with the County Commissioners, with their able advice and cooperation, helping everyone to make 1959 a successful year at the Merrimack County Nursing Home.

LOIS M. TRELOAR, R.N.,
Matron.

J. JAMES TRELOAR,
Superintendent.

REPORT OF THE CHAPLAIN

Commissioners of Merrimack County
Merrimack County Home
Boscawen, New Hampshire

Gentlemen:

The period of my service at the Merrimack County Home has been short since I came to New Hampshire only in November 1959. I am informed, however, that my predecessor — The Reverend J. Lincoln Thomas — conducted Services, regularly at the Home in 1959, until he assumed a pastorate outside the County. His Chaplaincy at the Home included Sunday Services of Worship, administration of rites and sacraments of The Church, Pastoral visitation and counselling and sharing in the social life of the Home.

Since coming here, my service has been similar to that of The Reverend Mr. Thomas. The Sunday Services are planned to offer opportunity for Christian Worship and to give comfort and strength and happiness to the residents. Such Services, as they are fitted to the needs of the people of the Home are less formal, shorter and calculated to be fruitful in a special environment.

I visit all residents in their rooms and wards regularly and I shared in the Holiday Programs of The Christmas Season.

I greatly appreciate the wise and willing cooperation of the Superintendent and Matron — especially — and of the entire Staff of the Home and look forward to an increasingly fruitful Ministry at The Merrimack County Home.

Respectfully submitted,

G. STANLEY KEAST,
Chaplain.

CATHOLIC CHAPLAIN'S REPORT

To the Board of County Commissioners:

Gentlemen:

It has been a great privilege to act as Catholic Chaplain for Merrimack County Home and Hospital throughout this past year and the following is my report to you, the Commissioners of the County of Merrimack.

This past year, the Holy Sacrifice of the Mass was offered on one day of every month at the County Home. Visitations were made to those unable to attend the Mass, and the other Sacraments were administered regularly. Calls are made on the sick residents immediately and the Last Rites of the Church are administered to those seriously ill or dying.

At this time, I express my Thanks to you the Commissioners and the Superintendent and Matron, Mr. and Mrs. Treloar. I would also like to express my appreciation to the Hospital Staff, to the General Supervisors, to the entire Nursing Staff and to all who, by day or night, have assisted me to bring to the elderly, the sick, the dying, God's Peace and Love.

May the blessings of Almighty God continue throughout this coming year.

Respectfully submitted,

REV. MICHAEL R. GRIFFIN, *Pastor*
St. Paul's Church
Franklin, New Hampshire

REPORT OF THE PHYSICIAN

The Infirmary has been extremely busy this year. We have been filled to capacity at all times with a waiting list most of the time. With the increase in Geriatric cases and problems nationwide, it is possible that in the near future it may be necessary to increase our facilities.

Through the efforts of the Superintendent and Matron, we are now equipped to handle all types of Nursing Care.

I wish to thank the Superintendent and Matron, the Nursing Staff for their excellent cooperation; it has made my work most enjoyable.

Respectfully submitted,

J. K. McLEOD, M. D.

An examination was made of all orders issued by the Commissioners and Clerk of Superior Court during the periods under review. Supporting invoices and payrolls were likewise examined and the classification of expenditures noted. Proof of the Treasurer's balance as of December 31, 1958, is indicated in Exhibit P.

Clerk of the Superior Court

Receipts of the Farm from the sale of dairy products, livestock, produce, and from boarders were checked by source through the triplicate receipt forms. All receipts of the Farm, as recorded in the cash book, were properly accounted for by the Superintendent through deposits in the bank to the credit of the County Treasurer's account.

Classified summary statements of receipts and expenditures of the County Home for the years 1957 and 1958 are presented in Exhibits F & O, respectively.

General Comments

Overdrafts of Appropriations:

It is noted that in each of the years 1957 and 1958, there were net overdrafts of budgetary appropriations amounting to \$15,145.76 and \$31,827.95, respectively (Exhibits D and M).

However, it is further noted that in accordance with the provisions of Chapter 24, Section 15, of the Revised Statutes Annotated, the Executive Committee of the Merrimack County Delegation authorized the County Commissioners on December 4, 1957 to exceed the 1957 budget by not more than \$25,000.00, and on December 22, 1958, granted authority to exceed the 1958 budget in an amount up to \$40,000.00.

Conclusion:

In accordance with the provisions of Chapter 184 of the Laws of 1955, a copy of this report or a summary of its findings and recommendations (letter of transmittal) should be published in the next annual report of the County. This letter of transmittal should be included in its entirety but the publication of Exhibits is optional.

The appreciation and thanks of this Division is hereby
